

Teaching with Heart

Experiencing the Waldorf approach

July 9 to 11, 2018

schedule: daily 8:30 am to 3:30 pm

at Sunrise Waldorf School in Duncan
on Vancouver Island, British Columbia, Canada

This course will offer an overview of Waldorf education for those who are teachers in other schools and/or to those who are potentially interested in becoming a Waldorf teacher. The three-day session will include presentations on child development, story-telling, ideas for how to create a curriculum for different ages, artistic activities and practical classroom experiences.

Three day intensive course, open to all.
