"I was in need of a little adventure and took my first flight out of the country to Guatemala to take a kindergarten position. I loved it so much, I decided to stay another year! The beauty, kindness and history in Guatemala is unique and welcoming. It's a perfect opportunity to join a pioneer school and help build a foundation of Waldorf education in a developing country. The parents are so grateful we are here and I feel so appreciated"- Miss C - Early Childhood, USA

"I love living in Guatemala: Trinus is located in a great neighborhood with shops, salons restaurants bars gyms etc. My daily walk is less than 15 minutes which is the best way to start and end my day. The weather here is GREAT all your round- very gentle winters. Guatemala is RICH in natural beauty- beach, volcanoes, mountains and Mayan ruins. The people have been so friendly and welcoming. I've made some very good friends and lots of family here!"- Miss P Grades Teacher- South Africa
