

April 2022

Dear WCI Students that will travel to Canada this summer,

As we plan for our July Session within the weeks of July 2 - 22 , you must prepare to meet the requirements for travel.

WCI strongly recommends that all international students planning to travel to Canada fully understand the Government of Canada and BC Government laws and regulations before making travel plans. Please note that Government of Canada and [BC Government restrictions](#) and regulations are subject to change. Please check the [government websites](#) for the most up-to-date information.

International students who are fully vaccinated with an [approved vaccine](#) are not required to quarantine. You must use [ArriveCAN](#) to provide mandatory travel information before and after your entry into Canada. All incoming students need a quarantine plan, which is uploaded to your [federal ArriveCAN application](#).

Checklist of what you need to have ready at the border

Whether you're driving or flying, have the following items with you for assessment by a government official at the border (land border crossings do not provide WiFi for travelers):

- ArriveCAN receipt with letter I or, V, or A beside the vaccinated traveler's name
- Proof of vaccination that was uploaded into ArriveCAN (original or paper copy)
- Have a quarantine plan
- Travel document entered in ArriveCAN (e.g. passport)

Starting April 1, 2022, pre-entry tests are no longer required for fully vaccinated travelers entering Canada by land, air or water. You must still use ArriveCAN within 72 hours before your arrival to Canada.

Applying for a study permit at the port of entry

You may be able to apply at the port of entry if you're a

- U.S. citizen
- lawful permanent resident of the U.S.

If you meet one of these requirements, you must have all the documents required to apply for a study permit with you when you arrive at the border. The border services officer who greets you will determine if you're eligible to enter Canada as a student.

You need these documents to apply for a study permit:

- proof of acceptance
- proof of identity, and
- proof of financial support
